

New Head Teacher

Mentoring Programme

Our programme will link new Head Teachers with an experienced Head Teacher during their first year (or longer, by arrangement) of headship for both practical and moral support

The programme involves:

- The Teaching School will receive requests and find an appropriate mentor
- An expectation that the work between the mentor and first-time HT remain confidential
- The first-time HT to complete an evaluation of impact of the programme at the end of their year to assist with quality assurance and future development of the programme
- The LA will act as a key conduit for promoting the programme with new Head Teachers
- The programme will be promoted to Governors in order to support their responsibility for the well being of their new Head Teacher
- The cost of this support to the school is £500 which, for a limited time, includes a subsidy of £100 paid for by CHMA
