

# School Improvement Partner Programme

## ***The Programme***

CHMA are now offering a programme of support for schools based on the old School Improvement Partners [SIP] process.

After receiving a request for the SIP programme, CHMA will act as a broker to match your school to a NLE, LLE or local Head Teacher.

The cost of this service to your school would be £400 per day and we will be recommending that schools buy in a minimum of 3 days support per year so that the SIP can build a longer term knowledge of the school and positive working relationships.

CHMA will implement a Service Level Agreement for the work, signed by the SIPs and schools. SIP notes of visits will be sent to the school via CHMA, who will act as quality assurers.

## ***The type of work we anticipate schools and SIPs will work on together are:***

- *head teacher performance management*
- *pupil data reviews*
- *SEND reviews*
- *leadership and middle leadership reviews*
- *school development planning*
- *teaching and learning reviews*

***The school may request bespoke packages as they wish.***
